 about *Willy's*

In this growing franchise market, very few family operated non-franchise restaurants have managed to stay in business. We are very proud to say that we are one of those restaurants. The quality of our food is one of our great assets. We still make homemade dough daily with our special recipe using 100% virgin olive oil. We make our own Pizza Sauce using 6 herbs and spices, 100% virgin olive oil and marinated overnight. We use the finest Mozzarella Cheese. Our Meat Sauce is homemade on premises, so is the Soup, Gravy, Alfredo Sauce, French Onion Soup. We also cook and slice our Turkey and Roast Beef.

So join this rare food experience and we guarantee that you will be very satisfied.
